(They Long To Be) CLOSE TO YOU

Slowly and Steady

Why do birds suddenly appear every time you are near.

Just like me, they long to be close to you.

Tacet

Why do stars fall down from the sky every time you walk by.

Just like me, they long to be close to you.

On the day that you were born the angels got together and decided to create a dream come true. So they sprinkled moon dust in your hair of gold and starlight in your eyes of blue. That is why all the boys in town follow you all around.

Keep Repeating and Fade Out

Just like me, they long to be close to you.
