ly leave— And it's me you need—to show— How deep is your love—

is your love?— How deep is your love? I really need to learn—

'Cause we're living in a world of fools— Breaking us down When they all—

should let us be— We belong to you and me— I believe in

you. You know the door to my bar— est soul. You're the light—
in my deepest darkest hour—You’re my saviour when I fall—

And you may not think that I care for you—When you know—

down inside that I really do And it’s me you need to show—

How deep is your love— is your love— How deep is your love—

I really need to learn— 'Cause we’re living in a world of fools—
