1. On the streets where you live girls talk about their social lives,

(Verse 2. see block lyric)

they're made of slick plastic and paint, and don't you see it

in their eyes.

All your life, all you

ask "When's your daddy gonna talk to you?"

But you were
living in another world tryin' to get a message through.

(1, 3.) No one heard a single word you said,

we should have seen it in your eyes.

what was going round your head.
CHORUS

Ooh, she's a little runaway.

Daddy's girl at last all the things she
to Coda

couldn't say, ooh, she's a little

[1.]

run-away.

[2.]

run-away.
Verse 2:
Dim the light every night
Guaranteed to blow your mind
I see you out in the streets
Calling for a wild time.
So you sit home alone
'Cause there's nothing left that you can do
There's only pictures hung in the shadows
Left there to look at you.

You know she lights the lights at night
On the neon Broadway signs
She don't really mind
It's only love she hopes to find.
