Moderately fast (♩=3/4)

Gsus  G  Fsus  F

Gsus  G  Fsus  F

I recommend getting your heart trampled on to
I recommend biting off more than you can chew to

Gsus  G  Fsus  F

any-one,
yeah.
I certainly do.
CODA

You grieve, you learn, you choke, you learn,
you laugh, you learn, you choose, you learn, you pray, you learn,
you ask, you learn, you live, you learn.
Wait until the dust sets when the smoke clears.
The fire trucks are com-ing up a-round the bend.

You live, you learn, you love, you learn,
you cry, you learn, you lose, you learn,
you bleed, you learn, you scream, you learn.
I recommend walking around naked in your living room. I recommend sticking your foot in your mouth at any time.

Feel free.

Swallow it down. What a jagged little pill. Throw it down. The caution blocks you from the wind. Wear it out, the way a three-year-old would do.

It feels so good swimming in your stomach. Hold it up to the rays. Melt it down. You’re gonna have to eventually any way.
